HC1501D

Motor with Thermal Protection

Control System – Auto Start/Stop, Auto Reverse when Paper Jam, Overload & Overheat Sensor

Robust Construction with Replaceable Cutting Blades

Combination of Steel & Plastic Gear System

Shred capacity	14-16 sheets (A4, 70grams)
Shred size	4 x 39mm (cross-cut)
Security level	3
Insertion width	220mm (A4)
Bin capacity	22 liters
CD / Credit Card Shredding	1 piece
Motor	240W at max.
Power Supply	230V/50Hz
Auto reverse when paper jam	Yes
Auto Start / Stop	Yes
Thermal / Overload Protection	Yes
Dimensions	356(w) x 286 (D) x 498 (H) mm
Weight	8.1kg

Motor with Thermal ProaWaste Level Display through Bin Windowtection

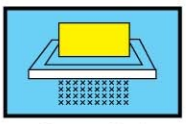

Attached Castors for easy maneuverability
